

Legion Brewing FAQ

1. Why is Legion Brewing different from other breweries in Charlotte?

Legion Brewing isn't just about beer – it's about people.

Rooted in Charlotte, we're on a mission to spark real connection and celebration wherever and whenever folks need it. As one of the largest craft breweries in the city, Legion has become a local favorite thanks to our award-winning Juicy Jay IPA, welcoming taprooms, and signature Campfire Hospitality — warmth, inclusivity, and good times for all. Our fans consistently vote Legion as one of the best breweries in Charlotte, and we're proud to have earned a shelf full of local awards to prove it. With a deep commitment to craftsmanship, community, and joyful experiences, we're crafting more than beer — we're creating moments worth remembering.

2. Where is Legion Brewing located?

You can find us in some of Charlotte's most vibrant neighborhoods:

Plaza Midwood: Our original home and heart of the brand. Tucked into the vibrant core of the Plaza Midwood Social District, this flagship brewery and taproom is where the Legion story began. With a cozy interior, bustling bar, and an expansive patio, it's a neighborhood staple built for connection, conversation, and craft beers.

SouthPark: Located in the heart of SouthPark, this spot brings together the feel of a neighborhood brewery with the experience of a full-service restaurant. It features a spacious indoor dining area and a lively patio that's perfect for gathering with friends or enjoying a meal outside. The menu offers elevated takes on pub classics, alongside craft cocktails and fresh beer straight from the source — making it a favorite for everything from casual lunches to professional evening meet-ups.

West Morehead: Our newest location is home to our full-scale production brewery, where many of your favorite Legion beers are brewed on-site. The taproom features a laid-back atmosphere with plenty of space to gather, inside and out. The menu highlights include handcrafted pizzas and a rotating selection of flame-grilled meats, served as wraps or bowls — perfect for pairing with a fresh pint fresh from the tanks.

Trolley Barn Fermentory & Food Hall: In the heart of South End, Trolley Barn offers a beer experience you won't find anywhere else. As part of the Legion Brewing family, we focus on small-batch, experimental beers poured straight from our tanks to your glass — no packaging, no distribution. The styles are always changing, so every visit brings something new. With a full cocktail bar and a lively food hall featuring local favorites, Trolley Barn is a one-of-a-kind spot for great drinks, fresh flavors, and easy hangs.

All of our locations have unique interior spaces, and each has great patio seating as well.
