

Waffles, INCaffeinated Seating List

Our new seating program is called “Waffles, INCaffeinated Seating List.”

It is found on our website: wafflesincaffeinated.com/seating

Please use this name when talking with customers
and tell them that it is found on our website.

The training video is under the employee’s tab on our website.

It runs for about an hour and a half. It is required that ALL employees assigned to use the seating list watch the video in advance and sign this training sheet acknowledgement. The acknowledgement gets returned to Ownership for the central employee file.

Launch will be Friday, Oct. 11, so please review and get back to us with any questions/concerns by then. Thank you!

**I acknowledge that I have reviewed the seating list video
and understand how to use the program properly:**
