**BOURBON**

Taste how obsessive finessing – and a little help from our Kentucky friends – make this bourbon as exceptional as the place it comes from.

**ALASKA, BOTTLED.**

Some say Alaska's too big to bottle. But our small-batch, artisanal spirits, crafted in Southeast Alaska's first distillery, capture the flavor and feel of the Last Frontier.

# *Boatwright* BOURBON

**Made by Hand in Southeast Alaska. With a Touch of Kentucky**

Crafted with the same attention to detail that a boat-maker brings to his trade, Boatwright Bourbon is a blend of two Straight Bourbon Whiskeys: Our own recipe, made completely from grain-to-barrel in our small craft distillery in Southeast Alaska, and a finely-made Straight Bourbon Whiskey from our friends in Kentucky. The character is so unique, and so local, it's like a postcard from Alaska. We worked hard to make this Boatwright Bourbon excellent. We hope you enjoy it.

- Aged two years in charred American white oak barrels
- A blend of Straight Bourbon Whiskeys from Alaska and Kentucky
- Crafted in small batches from corn, barley, and rye
